AT LAST! THE EAAE ONLINE GUIDE IS... ONLINE!

EAAE is committed to the exchange of ideas and people within the field of architectural education and research. We are collecting data on Europe's architecture schools and the new EAAE guide, our online database of information, features all member and non-member schools.

With the online editing system schools have complete control over their information (a double page PDF as in the above examples) and can change their text and images easily any time they wish. Help us complete our guide by uploading your school profile and keeping it up to date.

To see a list with all profiles currently in our database go to:

http://www.eaae.be/eaae2/members_new.php

Update your profile as soon as possible for inclusion in the 2011-12 members manual. For information on how to access and update your pages in the database please contact us at: eaesophiameeres@eaae.be

Our next Annual Meeting will take place in Chania on Monday 5th September 2011, 14h. Join us at the Centre for Mediterranean Architecture (K.A.M.) in Chania, Crete, Greece.
