2012 Waterford Festival of Architecture

### The living City

Waterford, Ireland, April 26<sup>th</sup>-29<sup>th</sup>, 2012

In the home of John Roberts

<http://www.wfa.ie>

The very first John Roberts Festival took place in the year 2000 to celebrate the buildings of Waterford's Georgian architect; among them Christ Church Cathedral, the Cathedral of the Most Holy Trinity, Bishops Palace and the Theatre Royal. The festival has grown from strength to strength and marked its ten year anniversary in 2010 by changing its name and extending its programme. The 2012 festival theme is 'The Living City'.
