# Letter of support

To whom it may concern,

I am delighted to endorse the application of my colleague Dr. James Benedict Brown, Associate Professor at Umeå School of Architecture to stand as a Council Member for the European Association of Architectural Education.

If elected, we will support James by providing him with sufficient hours in his manning to attend monthly council meetings online, and we will ensure he is able to attend the Annual Congress and General Assembly during his term.

If you have any queries, please do not hesitate to contact me.
