Amsterdam Academy of Architecture

EAAE Deans' Summit
25+26 April 2024

WELCOME

Amsterdam, 22/4/2024

Dear participant,

Thank you for registering for the upcoming EAAE Deans' Summit 2024 at the Amsterdam Academy of Architecture. We are overwhelmed and thrilled by the enthusiasm and number of registrations and look forward to hosting so many of you here at our Academy.

In preparation for this upcoming Thursday, we have prepared a brief information booklet for your convenience. Here, you can find the full programme, a simplified floor plan of our Academy, and an overview of all group divisions during the scheduled discussions. But not to worry; there is no need to print this booklet in advance or learn it by heart: all this information will be provided upon your arrival.

When you arrive in Amsterdam on Thursday, you can find us at Waterlooplein 213. This entrance is the glass door on the ground floor. From there, our receptionist, Ineke, will gladly show you the way to the registration room. Although the programme does not start until 19:00, the building opens at 18:00, so you will have plenty of time to register. We close Thursday's programme with an informal dinner in the Academy building.

On Friday, our doors open at 9:00 with freshly brewed coffee waiting for you. The day's programme begins at 9:30 and lasts until 17:00. After that, we will serve a simple aperitivo for everyone to unwind and exchange insights gathered throughout the day.

Lastly, we hope you might appreciate a small piece of advice: To not only bring waterproof clothes suitable for the Netherlands' infamously capricious weather, but also bring something orange: Saturday 27 April is our national holiday (Koningsdag, or King's Day), in which the city will be in full (orange-coloured) celebration. The party starts on Friday night and continues through all of Saturday. As public transport and city roads can be disrupted during this time, please ensure to double-check the up-to-date timetables of the [municipal public transport](#) and [national railways](#).

We appreciate you joining us this week for an inspiring Deans' Summit – we look forward to welcoming you at the Amsterdam Academy of Architecture soon!

On behalf of the entire Academy team,

Warmest regards,

Madeleine Maaskant
