Letter of Support
for the application of
Mia Roth-Čerina
as **EAAE vice-president**

Dear President,
Dear Council,

I hereby extend my support for the election of our professor Mia Roth-Čerina, PhD, Faculty of Architecture of the University of Zagreb, for the role of vice-president of the EAAE.

Her contribution to the work of the European Association for Architectural Education as council member has been dedicated and beneficial for both our schools and the architectural community, and we believe the advancement of her contribution to the work of the EAAE would continue these efforts even further.

I therefore declare the readiness of our Faculty to provide the means and time for her activities and meetings within the council's endeavors.

Wishing for a successful election,
Respectfully yours,

Prof. Siniša Justić
